

Spring program 2020

Welcome to participate in Friends activities this spring 2020! We have a mixed selection of activities and hope you will find something suitable just for you or that you simply decide to join everything.

Information about what, when, how and the price will be put up on the Friends notice board about 10 days in before the excursion takes place. Children/prams can accompany most excursions but please contact the responsible person for each activity for more information. Any changes to the program will be communicated on the notice board at school and on our Facebook page – Friends of the Swedish School in London.

To be able to join the different excursions you need to become a member of Friends. The annual fee is £20/family (£10 for one semester). We would like to emphasize that all income will benefit the children at school!

NOTE! In the case of fee-charged activities, the notification is binding, ie participation fee is due for payment regardless of actual participation.
