

Welcome to Friends of the Swedish School!

Friends of the Swedish School is a friendship organisation affiliated with the school since being founded in 1983. The board of directors consists of parent volunteers and we invite all new families to become members.

Why should you become a member?

Friends has two main purposes. One is to act as a social network for all families with children in the school. The other is to raise money for activities and equipments for the children.

What does Friends do?

Each term we offer a program for parents inviting them to guided walks, visits, lectures and also a weekly session of Swedish floor hockey (innebandy). Each school term begins with a guided Barnes walk for newcomers where we let you in on all there is to know about life in Barnes.

Once a month we organise a "Friendsfika", an afternoon snack with coffee at the school and once a year we arrange the popular Bikeparty (Cykelfesten).

Thanks to the member fee, the charged activities and Friendsfika, we are able to finance different activities, excursions and sports appliances for the children at school.

Look out for the activity program which will be posted on Schoolsoft, the Friends bulletin board at School and make sure to add "Friends of the Swedish school" as a friend on Facebook, to get regular updates.

How do I become a member?

Membership fees are £20 per family/school year (or £10 per family if you arrive in the Spring term). To join, please fill out the form below and place it together with the appropriate amount of money in an envelope and hand it to one of the Friends board members.

Contact us if you have any questions about Friends, suggestions or if you are interested in joining the board!
