

The Swedish School in London Travel Policy

At the Swedish School in London we take part in TFL's STAR Scheme. This helps us facilitate and promote active, healthy, safe and sustainable travel to and from school. Instead of using a private cars, the school encourages parents, pupils and staff to walk, cycle, scoot or take public transport to the school. An active travel plan will provide an opportunity for the pupils to:

- Improve air quality around the school
- Improves mental health which leads to attendance and academic success
- Promotes independence and improves road safety awareness
- Improves physical health
